

HELLO CRAWLER!

My name is Zev, and I work within the Borant Corporation's communications department.

We have identified several individuals and teams who have gained early popularity, and you are on the list! The Borant Corporation is enacting a new initiative this season, encouraging crawlers to document their time in the dungeon in this journal, which will then be published for all to read. Please, feel free to fill in every juicy detail of your exploits. Doing so will definitely drum up popularity and help viewers get a better sense of who you are. Plus, more viewers means an increased likelihood of gaining sponsors, so it's really a win-win situation when you think about it. Now I gotta get going

GOOD LUCK!
